We are searching for a

Customer Service Representative

Reporting to the Sales Manager, we are seeking an experienced Customer Service Representative to be involved in the daily sales activities of inventory control, sales order entry, confirmations, logistics set-up, and customer follow-up. This position will be based at our new Surrey Secondary Processing Plant.

Main responsibilities:

- Communicate with customers on daily shipments and future order requirements
- Sales order entering
- EDI communication with customers
- Daily coordination and planning of value added production with Surrey processing manager
- Work closely with Marine Harvest accounts receivable team to track customer deductions against payments and facilitate resolution
- Additional support duties that will arise within the sales team

The right candidate has:

- Minimum of 3+ years experience in a customer service role preferably related to fish/salmon sales
- Proficient in MS Office software
- Able to work well with others as a team player
- Good communication skills, organization skills, and detail oriented
- Able to multitask and prioritize duties
- Fully fluent in English

We can offer competitive conditions and great opportunities for personal and professional development.

Please apply by **October 13, 2017** via <http://marineharvest.ca/people/employment-postings/>

At Marine Harvest Canada, our team of over 550 employees grow, process and package 45,000 tonnes of fresh Atlantic salmon for shipment to our worldwide customers. While operating in some of the most beautiful locations around Vancouver Island, we are dedicated to leading the "Blue Revolution" by farming the ocean in a responsible and efficient way. As part of the Norway-based Marine Harvest Group, we are recognized global leaders in sustainability, safety and innovation.

Delicious, responsibly grown salmon – it's our passion and our pride.
