Message from the Chair

Welcome to a new year with the BC Food Technologists! I am very excited for this coming year as chair as we have some big plans ahead of us! We have some new faces this year on our executive board and we are going to work towards a restructuring of the executive so that it is more efficient, there are more opportunities for

people to get involved, and to have a continuation plan in effect to keep BCFT going for future generations. Along with this, we will be working on our section by-laws to reflect these changes.

We kicked off this year with a very successful Pacific Northwest IFT Technical Conference with an attendance of 64 food industry professionals! We had attendees from all over the Pacific Northwest sections and it was exciting to hear all the engaging presentations.

You will hear about and see more New Professionals Committee and Student Committee events happening

this year (October 25th, 2012 is the next event—see website www.bcft.ca/upcoming_events.html for more details), as well as a continuation of the new Spotlight on a Food Scientist article series in our Tech Talk Newsletter. We have a new awards committee that will be working hard to help get some nominations in for IFT and CIFST awards (see article below) and recognize our hard-working BC food industry professionals that have contributed so much. And, we cannot forget our regular annually anticipated events—Suppliers' Night, Speakers' Night, and Golf Tournament & Banquet.

Wondering how to stay in the loop? We are on Facebook and Twitter (@BCFoodTech) and keep up with BCFT news on a regular basis. We have a new Social Media Coordinator that will be keeping you posted on current food industry news, trends, and BCFT events.

As your professional association, we are committed to providing you with the best membership value. If you have any ideas on how we can best serve the membership, please don't hesitate to contact me (chair@bcft.ca). I hope to see you at our events!

Sincerely,

Reena Mistry
