2014/15 LFS Tri-Mentoring

The Faculty of Land and Food Systems is looking for Mentors to join their Tri-Mentoring Program for 2014/15! This program creates a networking opportunity through “triads” consisting of two undergraduate students and an industry-related professional. The primary objective of this program is to help students develop their skills in career self-management, but also for the Faculty to engage with our community and industries our students may potential build their career in. If you are interested in participating, please apply on our website – applications are due September 22, 2014.

The BCFT is Looking for You!

As you know the BCFT is run entirely by volunteers and once again we are soliciting members for their interest in participating in next year’s executive. We will have a number of vacancies to fill. Help keep our flame burning bright.

If you are interested in volunteering please contact Reena Mistry at chair@bcft.ca.
